MESCOE-IIC established on 27th Oct. 2020

We are happy and proud to announce the establishment of MESCOE-IIC (in association with 'MHRD's Innovation Cell (MIC)') on 27th Oct 2020. The council has more than 50 members from the teaching and non-teaching staff and 50 from the student community. On board are 4 external experts from the industry who have willingly agreed to guide our students. It is an innovative platform that will be a game changer for HEIs like ours. The 1st meeting of the council was held on 9th November 2020.
